SELECT YOUR NEED

Select your color from dozens of standard Kynar 500 or SAF colors, or offer your custom pattern.

CUSTOM COLOR SAMPLE

It typically takes one week for our paint experts and suppliers to jointly formulate a custom color sample for your approval.

WRITTEN CONFIRMATION

Upon receiving the sample, promptly provide written confirmation if the color match is satisfactory.

FORMAL PRODUCTION

Once your confirmation is received, we will commence formal production according to the order specifications.

NOTE:

We aim for color-accurate solutions and responsive service. Communicating clearly at each step enables us to fulfill special color requests efficiently while meeting your expectations.
